

LET'S GET BETTER TOGETHER CONFERENCE

CELEBRATING 12 YEARS!

LET'S GET BETTER TOGETHER

**STATEWIDE 2SLGBTQIA HEALTH
CONFERENCE**

OCTOBER 18-19, 2023

At Harrah's Ak Chin

We are excited to announce the 12th year of the Let's Get Better Together Conference: A Quality Look at Healthcare conference, which focuses on Lesbian, Gay, Bisexual, Transgender, and Questioning and Queer (2SLGBTQIA) health. The theme of our 2023 event is **"Achieving Health Equity and Health Justice"**. Currently, this two-day event will be held on Wednesday, October 18th and Thursday, October 19th at Harrah's Ak-Chin. We need your valued support to make this a success.

2SLGBTQIA Arizonans experience significant health disparities and often have great difficulty in accessing high quality health care. Let's Get Better Together was one of the first conferences in the country that focuses on improving health care needs for 2SLGBTQIA individuals in an entire system of care: prevention, treatment, support services, and resiliency. The conference will provide a space for healthcare professionals to discuss their concerns, successes, and challenges, and will provide tools and best practices. Some highlights:

- Health and Wellness - Discussions and skill building around 2SLGBTQIA health, advocacy, equity, social determinants of health, and support
- Networking to build community

None of this can happen without YOU. By becoming a financial partner, you facilitate the highest quality experience to conference participants. In addition, you are improving health care provider tools and skills to increase the quality of life for the populations served.

Over 240 attendees from across Arizona attend each year so you will have exposure to a large group of diverse providers and community members.

Enclosed you will find a description of the partnership levels and their accompanying benefits, as well as a Partnership Confirmation Form. **Please return the completed form as soon as possible, so that we may recognize your agency in marketing and registration materials.** Please note that partnerships received within two weeks of the conference may receive reduced benefits due to printing and marketing deadlines.

Thank you in advance for your support. Please contact us for additional information, if needed.

Sincerely,

Nichol Porter
